

JESUS FOR ME

Jesus is a radical model of how to live. He is a leader to follow, to walk behind.. He inspires us and countless people through the ages to take radical action, and “Do as he did”, and to leave self behind.

Jesus does not ask for belief in himself or in God, but for action.

Jesus' Call is not easy, but very demanding. His “gate” is narrow and difficult. Essentially, it is to

- Forget myself (wow)

- Give myself

- Drop my nets

- Do, act, walk

- Be part of a group of Disciples

 - who eat together

 - plan and act together

 - think for and about others, especially the needy

An inspiring and demanding Call – a Call to bring in the Kingdom.
